Application of IEEE Senior Members & Fellows

為鼓勵產業界加入IEEE Senior Member 和Fellows，增加雙方鏈結與互動。

1. Qualifications and Requirements

IEEE Senior Member (source)	IEEE Fellow (source)
A candidate shall be an engineer, scientist, educator, technical executive or originator in IEEE-designated fields.	Nominees must have accomplishments that have contributed importantly to the advancement or application of engineering, science and technology, bringing the realization of significant value to society.
Candidates shall have been in professional practice for at least 10 years.	Hold IEEE Senior member or IEEE Life Senior member grade.
Candidates shall have shown significant performance over a period of at least 5 of those years.	Have been a member in good standing and has completed a minimum of 5 full years (consecutive or not) of IEEE membership in any grade preceding 1 January of the year of elevation.
Supply 3 references from current IEEE members holding the grade of Fellow, Senior Member, or Honorary Member.	A nominator is responsible for soliciting 3-5 references capable of assessing the nominee's contribution. Optional: 3 endorsements.

Application of IEEE Senior Members & Fellows

2. Procedure

IEEE Senior Member (source)	IEEE Fellow
<p>Submit application online at: https://www.ieee.org/membership/senior/</p>	<p>Self-nomination is not permitted. The nominator must submit a nomination before a reference or endorser can complete the support form. Kindly refer to: https://www.ieee.org/membership/fellows/steps.html How to Write an Effective Nomination (PDF)</p>
<p>Prospective members who would like to apply directly for Senior Member grade must first join IEEE and then submit the Senior Member application form. An IEEE Member Number is required on the Senior Member application.</p>	<p>The Fellow Nomination cycle for the class of 2020 closed as of 1 March.</p> <p>Nominations for the class of 2022 are open; all forms due 1 March 2021!</p>
