

## 年度報告1999~2000<sup>a</sup>

### Part A Section Summary

#### A-1 Executive Summary

IEEE Taipei Section was established in 1974. There are 2183 active members by July 31, 2000. It is an increase of 145 from January 31, 1999. Among them, 354 members are students. 18 chapters were formed and actively functioned. Many activities were reported by these chapters. A World Wide Web site was setup in October 1997. On this web site, guests can find the updated conference information, the Section/ Chapters news, and the contact addresses of Taipei Section officers and Chapter Chairs. It also provides the function of on-line registration. All the membership data are in a database linked to this web site. For convenience, a copy of database in Chinese is maintained. A regular meeting of the Section officers was held almost every month. Many ideas and plans were discussed and carried out in this regular meeting.

#### A-2 Financial Report

The financial status of this Section is comfortable for supporting those planned programs. Some of the chapters have contributed a reasonable percentage of their income to this Section. This allows the Section to maintain the routine functions and sponsor some student activities. The total income of the Section in 1999 is 1,385,683NTD including 11,493.90USD Section rebate in 1999.
